Furthermore, I understand that the Chiropractic Clinic will prepare any necessary reports and forms to assist me in making collection from the insurance company and that any amount authorized to be paid directly to the Chiropractic Clinic will be credited to my account upon receipt. However, I clearly understand and agree that all services rendered me are charged directly to me and that I am personally responsible for payment. I also understand that if I suspend or terminate my care of treatment, any fees for professional services rendered me will be immediately due and payable.

Harkey Chiropractic has promised to treat my condition on the understanding that their services will be paid out of any insurance benefits, judgment or settlement which may be payable to me. In exchange for Harkey Chiropractic's promise:

I assign to Harkey Chiropractic my insurance benefits, settlement or judgment proceeds, which are or shall become payable to me in an amount equal to their fee for treating me grant them a lien on those benefits or proceeds for the payment of their fee.

My attorney and insurance company are directed and ordered that when they have any money payable to me, they pay Harkey Chiropractic their fee for treating me before anyone else, including me, is paid anything.

I authorize Harkey Chiropractic to give my attorney and/or insurance company all of the information pertaining to my case that they request.

I do hereby agree to assign any and all right, title, or interest to my claim against my insurance company and/or attorney or any other third party for breach of contract and/or bad faith and refusal to pay the bills or claims submitted by Harkey Chiropractic.

I further agree to assist in and fully cooperate with Harkey Chiropractic and its attorney in their attempts to collect on their charges and services rendered to me for which my insurance carrier and/or attorney has refused to pay. I understand this lien is non-revocable.

I am responsible for paying Harkey Chiropractic's fee for treating me, and at any time they can demand that I pay all or part of the balance of their fee. And I further understand that such payment is not contingent on any settlement, claim, judgment, or verdict by which I may eventually recover. I also agree to pay all of Harkey Chiropractic's expenses to collect their fee, including a reasonable attorney's fee as well as 18% interest annually on the balance due beginning with the last date of service.
